### Steve Zuber Named Principal for BARBER Murphy Group

SHILOH, IL– Steve Zuber, SIOR, CCIM, has been named a principal in Southern Illinois commercial real estate firm, BARBER Murphy Group. The announcement was made by Wayne Barber, Jr., SIOR, co-founder and principal.

“Steve has been a broker associate for six years and has demonstrated his ability to help lead and grow our firm,” said Barber. “Paul Murphy, co-founder and managing principal, and I are delighted to recognize the important role that Steve plays in our company.”

Zuber, who specializes in industrial real estate properties, has been with BARBER Murphy since the company was formed in 2005. Prior to joining BARBER Murphy, he sold industrial equipment to manufacturing facilities throughout the Midwest, providing him with a strong knowledge and perspective of the industrial market. He also is experienced in brownfield redevelopment and currently is working on the 324-acre Chemetco site in Madison County. He also has 20 years experience in direct sales. His most recent transactions involved the sale industrial buildings of 40,000-square-foot in Centralia, IL, 60,000-square-foot in Litchfield, IL, and a 407,600-square-foot distribution building for Anheuser-Busch, LLC in Mt Vernon, IL.

According to Zuber, he is particularly proud of the fact that when he first began selling real estate with Wayne Barber in 2005, the duo had approximately one million square feet of warehouse space available in the Centralia area. Since that time, Zuber says the duo has essentially sold or leased all of the space and has helped bring approximately 170 new jobs to the area.

Zuber holds a bachelor’s degree in marketing from Millikin University in Decatur, IL. He is a member of the Society of Industrial and Office Realtors (SIOR), St. Louis chapter; the National Association of Realtors, the Illinois Association of Realtors, and the Realtor Association of Southwestern Illinois. He also is a Certified Commercial Investment member (CCIM).
